

Code of Ethics

Version 2.2

The Code of Ethics must be considered by all Staff members of the World Cube Association (WCA), referred to in this document as “WCA Staff”, as a standard for actions and decisions they will be making when acting on behalf of the WCA within their role. “Listed Delegates” refers to WCA Delegates who are publicly displayed on the “General info” tab of an official WCA Competition.

These actions and decisions should be made in such a manner that, if consistently performed by WCA Staff, the Spirit and Mission of the WCA would continue to be upheld while not breaking any Regulations, Motions, or Policies.

This Code covers previously known issues, as well as issues that the WCA Ethics Committee (WEC) foresees as requiring additional guidance. This document will be updated periodically to incorporate new topics as they are brought to the attention of the WEC, and will also be reviewed regularly.

The official communication channel for the WEC is via email. For any concerns about the ethical conduct of a WCA Staff member, contact the WEC: ethics@worldcubeassociation.org. If there are any concerns about the ethical conduct of the WCA Ethics Committee, either the Committee itself or an individual member, please contact the WCA Disciplinary Committee (WDC) at: disciplinary@worldcubeassociation.org.
